1. General Warning

Trading in financial instruments carries a high level of risk and may not be suitable for all investors. The value of investments can fluctuate, and it is possible to lose all or part of your capital.

You should carefully consider your investment objectives, level of experience, and risk appetite before engaging in any form of trading. You must not invest money you cannot afford to lose.

MirrorEdgePro Ltd. provides **technology and software solutions only**. MirrorEdgePro is **not a broker, financial advisor, or investment firm**, and does not provide trading, execution, or financial advisory services.

2. Nature of Services

MirrorEdgePro offers a **software platform** that enables users to connect their trading accounts with supported brokers and mirror or automate strategies from other traders ("Signal Providers").

MirrorEdgePro:

- Does **not** execute trades on your behalf.
- Does **not** hold or manage customer funds.
- Does **not** recommend or endorse any Signal Provider, broker, or trading strategy.

Any trading decision you make using the MirrorEdgePro Platform is entirely your own responsibility.

3. No Guarantees or Representations

MirrorEdgePro makes **no guarantees** regarding the performance or profitability of any strategy or trading activity carried out using the Platform.

Past performance is not indicative of future results.

The results displayed on the Platform may include hypothetical or simulated performance data, which are not guarantees of real-world outcomes. Actual trading results can differ significantly due to market conditions, execution latency, liquidity, and other external factors.

4. Market and Technological Risks

You acknowledge that there are risks associated with Internet-based trading systems, including but not limited to:

- Software or hardware failures
- Network latency or disconnections
- Data transmission delays
- Broker server downtime
- Unintended duplication of trades

MirrorEdgePro shall not be liable for losses resulting from these or other technological failures beyond its reasonable control.

5. Independent Decision Making

Before using the Platform, you are strongly advised to:

- Consult a licensed financial advisor or investment professional.
- Fully understand the features, limitations, and risks associated with leveraged products and automated trading systems.
- Conduct your own due diligence before choosing any broker or Signal Provider.

MirrorEdgePro assumes no responsibility for any trading decision made based on the content, data, or functionality of the Platform.

6. Legal and Regulatory Considerations

Trading activities may be subject to regulations in your country of residence. It is your responsibility to ensure that use of the MirrorEdgePro Platform complies with applicable laws and restrictions.

If the use of the Platform is prohibited under your local laws, you must not install or use it.

7. Limitation of Liability

MirrorEdgePro, its affiliates, and employees shall not be liable for:

- Loss of profits, revenues, or business opportunities
- Trading losses, whether direct or indirect
- Any damage caused by delays, transmission failures, or third-party service interruptions

Your sole remedy for dissatisfaction with the Platform is to discontinue its use and uninstall the software.
